

MRS. ANDRINGA'S
FOURTH GRADE NEWS
MAY 7 - 11

Math – We have finished looking at perimeter. We will look at area next week and have a test over both on Tuesday, May 22.

Reading – We finish *Caddie Woodlawn* by watching the movie on Friday.

Language – We will continue our language review for the next two weeks.

- Regular Spelling Week

Social Studies: We will work on map skills this week.

Miss Van Otterloo

Praise be to the name of God forever and ever; wisdom and power are His. He changes times and seasons; He deposes kings and raises up others. He gives wisdom to the wise and knowledge to the discerning. He reveals deep and hidden things; He knows what lies in darkness, and light dwells with Him. Daniel 2: 20-22

Science: Students will work with a partner to do research on different diseases that affect the bones and muscles. They will be asked to create a poster with the information they find. We will present our posters to the class on Thursday and Friday.

Bible: This week we will be looking at the life of Daniel and Esther. We will be making a poster on different stories in Daniel's life, and we will be creating skits to summarize the life of Esther.
