### **Help Wanted**

The SCS Board is looking for a qualified individual to assume the responsibilities of the school's newly established Communications Coordinator position. This is a part-time, flexible-hours position that is immediately available. The successful candidate will be responsible for writing and editing content distributed to the school's constituency and the broader Sheldon community.

The establishment of this position follows the school's strategic plan to improve consistent communication with parents and SCS society members, as well as to present the school's mission to Christian parents who may be interested in a distinctively God-centered education for their children.

Contact school administrator Marlin Schoonhoven at 712-324-2429 or [mschoonhoven@sheldonchristianschool.org](mailto:mschoonhoven@sheldonchristianschool.org) for more information.
