# SHELDON CHRISTIAN SCHOOL

## HOME BULLETIN

January 17, 2022

"Sheldon Christian School prepares God's children for a lifetime of Kingdom service by providing quality God-centered education."

### January theme – Chosen

Here at Sheldon Christian, we have really worked hard on improving our library, both cosmetically and with new books! Please be a bit more careful with the library books that get taken home. Lets remember, it takes a good amount of money to improve the library, so lets make sure we are taking care of the books.

The recent Sheldon Christian School building project has been a huge blessing to the school. We still have approximately \$284,000 of the \$2.3M project to pay for. Would you consider a donation to help us eliminate our outstanding debt? We are really close! This giving opportunity is completely tax-free. Contact school at 712-324-2429.
