SHELDON CHRISTIAN SCHOOL

HOME BULLETIN

January 4, 2022

"Sheldon Christian School prepares God's children for a lifetime of Kingdom service by providing quality God-centered education."

January theme – Chosen

Just a friendly reminder, our school and state health officials recommend that you stay home for 24 hours after your last episode of vomiting or diarrhea. You also need to stay home until fever free for 24 hours without the use of medications to bring your fever down such as Tylenol or ibuprofen. A fever is considered anything over 100.4.

The recent Sheldon Christian School building project has been a huge blessing to the school. We still have approximately \$320,000 of the \$2.3M project to pay for. This giving opportunity is completely tax-free. Contact school at 712-324-2429.
